

**MUSIC FOR THE SENSES:** The children enjoyed an assembly this week that explored how different pieces of music can make us think of all the different emotions. Music can be a 'fast, busy' piece, like we are running around with lots of things to do; for example the Flight of the Bumblebee.

The assembly encouraged the children to listen to music and think about the emotions and senses that it might provoke in us.

**DATE: FRIDAY 28  
SEPTEMBER**

**TIME: 9.00 – 10.00AM**

**PLACE: ON THE MUGA NEXT  
TO THE TRIM TRAIL**

Now we are back into the routine of the school week please spare a thought for our neighbours. We have had instances this week of people parking over driveways and not being as pleasant as they might be to other parents, who are dropping off or collecting their children; or to our neighbours who are also trying to leave or gain access to their property.

Please do not park at the end of the cul-de-sac as this affects the turning circle where there are often children coming through the school gates.
