Agenda

- Congratulations!
- Welcome
- Getting to know each other
- Badges, books & pens
- Agendas for the next meetings

We discussed our experiences of the election process and how it felt to find out you were elected to the School Council! There was lots of excitement!

We thought back to our manifestos – what was it that they wanted to achieve this year the most? We made a note of all of these aims so we can work through it over the year and tick off as many as possible!

Badges, books & pens

Every child received a book and pen for recording notes during the meetings. They will need their notes when speaking to their classes about the issues raised in the meetings. Whoops the badges have gone missing, we will receive them at the next meeting!
