Agenda

- Raising money at the Christmas Fair

School Council stall at the Christmas Fair

Reindeer skittles	Line up 5 rubber ducks with pictures of Rudolph stuck to them. Children to throw 3 balls. If they knock down all of the reindeer they win a lucky dip prize.
-------------------	--

We discussed the activity and some of us tried it out. We decided that BOWLING the balls would work much better than throwing them. We found that the 'bowling alley' needed to be the length of 2 classroom tables put end to end. We chose tennis balls to bowl with. We made a list of lucky dip prizes for Mrs Hines to buy and agreed ALL 5 balls had to be knocked down to win a prize.

Helping out at the Christmas Fair

Timetable discussed for children who had returned the letter about helping at the fair. Those who hadn't responded were given another letter.
